

THE BOTTOM LINE FEBRUARY 2022

UNIVERSITY NEWS

1872 Forward: Celebrating Virginia Tech

From March 24-26, the Virginia Tech Council on History, in conjunction with the More than a Fraction Foundation, will offer 3 days of programming to recognize 150 years of the university's complex history. All employees are encouraged to participate in this important university programming. A complete list of in-person and virtual programs is [available here](#).

Parking & Transportation newsletter offers latest news, updates

"The Parking Spot" newsletter provides periodic parking and transportation updates. [Subscribe](#)

Your Feedback Requested!

Members of the university community are encouraged to complete two surveys:

Transportation Survey

Open through May 4; [more info & survey link](#)

Police Department Community Relations Survey

Open through April 11; [more info & survey link](#)

Giving Day sets new record

With more than \$8.2 million (and counting), this year's Giving Day was the most successful in the university's history. Thanks to those who participated! More info will be coming soon in VT News.

FINANCE NEWS

Blood Drive appointments still available for Feb. 28

If you have not already, please consider donating blood at the VP for Finance-sponsored blood drive on Feb. 28 at North End Center. The drive will run from 10am-3pm and walk-ins will also be accepted on the day-of.
