FINANCE NEWS

Procurement among working group honored with Governor's Environmental Excellence Award

More than two dozen stakeholders were part of the development of the Plastic Pollution and Solid Waste Reduction Plan working group that Procurement led. The award commended Virginia Tech for several recently-completed and in-progress sustainability initiatives identified during the course of the working group's activities.

[Check out the VTx story](#) for more information. Well done to the Procurement team and their partners!

Registration open for Fiscal Training Program

Sign up today for this certificate-based learning and development experience aimed at building fiscal expertise within a strong ethical framework.

Program participants will learn higher education financial concepts, policy navigation, compliance-driven practices, operational procedures, business intelligence tools and decision-making skills.

More than 280 employees to date have completed the introductory level of the program.

More information is [available in VTx](#), and you can contact fiscaltraining@vt.edu with any questions.
