...BITS & BYTES...

The Finance IT team can troubleshoot most technology issues without being physically present at each desk or mobile device. During this time, it is **critical** for all support requests to be sent to supportvpf@vt.edu so that they can be handled appropriately.

Any employee that experiences connectivity issues when working remotely should reach out to Finance IT for help with restoring service. As a reminder, those using the VPN should select the "VT Traffic over SSL VPN" option.
